-------------------	-------------------------

1. **Background.** The Joint Communications Support Element (JCSE) provides premier communication systems that enable the Joint Chiefs of Staff (JCS) and the Combatant Commanders to effectively exercise command and control in the combat environment.

a. Eligible candidates selected for assignment to JCSE will require a favorable flag screening message and a prescreening interview before orders are released by Navy Personnel Command (NAVPERSCOM), Shore Special Programs Assignment Branch (PERS-4010).

b. In consideration of the intense training received while at JCSE, all tour lengths will be 48 months.

2. **Requirements/Qualifications.** Paygrade E-5 may not have more than 10 years total active duty service, and paygrade E-6 may not have more than 14 years total active military service. The following additional requirements must also be met:

a. Must be in the following ratings: ET, IT, CE, PS (E-6), YN (E-6).

b. Required obligated service (OBLISERV) for this program is 48 months.

c. Must have warfare pin (SW, AW, SCW).

d. Must hold a current Single Scope Background Investigation (SSBI) for Top Secret/Sensitive Compartmented Information (TS/SCI) access prior to transfer per reference (a).
